

Codman Academy Platform

Frequently Asked Questions

1. What is Codman Academy?

Codman Academy is an online educational platform developed by Codman Specialty Surgical, the neurosurgery division of Integra Lifesciences. The purpose of the platform is to share surgical and clinical current information about European healthcare events and propose virtual and face to face meetings scheduled by the Codman Academy team. Where applicable, other clinical information for education will also be shared.

2. Who is Codman Academy platform for?

Codman Academy is dedicated to healthcare professionals associated with the Neurosurgical community, HPB (Hepato-Biliary-Pancreatic) community and the ENT (Ears Nose and Throat) surgical community.

3. Is Codman Academy accessible to European HCPs only?

No, Codman Academy is open to HCP's all over the world. However please note that the content and all information provided are intended to a European audience, in compliance with the EU Medical Device legislation.

4. What's in it for me?

The platform includes a library where HCPs can find a bank of clinical webinars and lectures by globally known KOL's covering a broad range of surgical topics and register to upcoming European surgical events.

5. How can I access Codman Academy?

HCPs can only access the platform by registering via an access code provided by local Integra sales representative. If you are not an Integra customer, please use the "Contact Us" tab and send your request to codmanacademy@integralife.com.

6. Do I need to be an Integra customer to access Codman Academy?

No, Codman Academy is open to HCP's all over the world, despite content is Europe-oriented. If you are not an Integra customer, please use the "Contact Us" tab and send your request for an access code to codmanacademy@integralife.com.

7. Do I need to register to access Codman Academy?

Yes, any HCPs, whether it be an Integra customer or not, who wants to access Codman Academy first need to register by filling the online form. – By European law, we must make sure HCPs only can access the site as content is intended to them and not to the lay public.

8. Why should I register to Codman Academy?

By registering to Codman Academy, you will be able to access the library with all online courses and webinars replays, access the calendar to register to upcoming events.

9. Do I need to pay to access the Codman Academy?

No, Codman Academy is a free resource platform for HCPs.

10. How will I get the password to access the library?

For customers, please contact your local Integra sales representative to get your password. For non-customers, please send your request using the “Contact Us” section to get your password.

11. How do I become a Codman Academy faculty member?

Should you be interested in becoming a faculty member, please contact your local integra sales representative or contact us directly on codmanacademy@integralife.com

12. Is there a Codman Academy App I can download to access it easily on my cell phone?

There is no Codman Academy App available for the moment. Codman Academy website has been designed to fit any device, including mobile devices.

13. Can I get push notifications to stay up to date with the latest events?

Push notifications are not available yet. We will inform you as soon as this feature is effective.

14. Who manages the content of the site?

The site content is entirely managed by the Codman Surgical Specialty (CSS) Professional Education team of Integra Lifesciences Europe.

15. How do I know content is reliable and up to date?

Codman Academy online content is corroborated with global KOL's and a panel of HCP's the CSS Professional Education team refers to for content discussion and approval.

16. If I have questions about Codman Academy, who can I speak to?

Should you have questions, please refer to your local Integra sales representative or send the question to codmanacademy@integralife.com.

17. Once I registered, what will happen to my personal data?

Personal data are managed under the umbrella privacy law of Integra LifeSciences and will not be passed onto third parties. For more information, please read our [Privacy Policy \(link\)](#).

18. I registered but I want to unsubscribe, what should I do?

Should you wish to unsubscribe to Codman Academy, please send your request to privacy@integralife.com .

By unsubscribing, please note you will not receive any updates from us. If for some reason you prefer all your details are deleted on our data base, then please contact us.
